Mayor To Call Talks On Education Needs

Cr. P. Burns, Mayor of Altona, has agreed to invite the Minister and Director of Education to a top-level meeting convened to discuss Altona's future educational needs

Cr. Burns agreed to a suggestion by Cr. R. K. Richards that he convene a meeting comprising Cr. P. J. Lynch, who holds the council's education portfolio, the principals of local schools and the chairmen of local advisory councils, Mr. Floyd, M.L.A., the district school inspector, and the Minister and Director of Education.

Cr. Richards said one of the main topics for discussion at the meeting would be the establishment of a teachers' training college in the area.

"This would help alleviate our problems," Cr. Richards said, adding that it appeared that additional primary and secondary schools would be needed in the area in the near future if not now.

"The plans for these should be prepared now," he said, "not when the present schools are bursting at their seams." He said there were 5,000 children enrolled at district primary schools, and nearly 3,000 enrolled at secondary schools.

"Those attending the meeting should be fully armed with figures of future enrolments," he added. "The Mayor and Cr. Lynch should have discussions with the school principals before the meeting."

"By convening the meeting you would be doing a great deal of good for present and future school children in Altona," Cr. Richards told the Mayor.

"I would be delighted to convene such a meeting," Cr. Burns replied. "I am glad to do something for the children, their parents and teachers. This is my duty as a Mayor."

Cr. W. Sommers said the Western Suburbs Municipal Association planned to press for a teachers' college somewhere in the western suburbs.

"Many children have told me they wanted to become teachers, but they couldn't get to colleges on the other side of Melbourne," added Cr. Richards.

Mr. D. Donaldson, Acting Principal of the Altona North Technical School, told Council his advisory council had discussed the critical shortage of qualified teachers in western suburbs' schools.

"Arising from this discussion a resolution was passed instructing me to write to your Council seeking assistance in overcoming this shortage," Mr. Donaldson told Council.

"The members of the School Council felt that they were not able to make any specific suggestions or requests except perhaps to draw attention to the advantages which may accrue from the mounting of a suitable

publicity campaign directed at teachers and extolling the merits of the Altona area and its schools."

Mr. Donaldson said he remembered, some years ago, being favorably impressed by a feature article in the Altona Star which projected the image of Altona as being a very education-minded community.

The two-page article appeared in the Star in April, 1964. Mr. Donaldson said he saw it while teaching at a school in the eastern suburbs.

"By some means or other, this article had been displayed on the staff notice board of the school at which I was employed," he said.

"If I might be permitted a further personal observation on this problem, I would like to suggest that a committee, comprising principals or senior teachers from schools in the district, working in co-operation with the Altona City Council and, possibly, an able publicity consultant, could very well initiate a campaign which could assist in solving this problem."

"I have no doubt that your Council will be concerned with this vital issue and I trust that this approach may lead to some action in improving the educational situation in this area."

Cr. P. Lynch moved that Mr. Donaldson's letter be referred to the Council's General Purposes Committee for full and thorough discussion.

"The staff situation at Altona North Technical School is highly unsatisfactory," he said. "Mr. Donaldson is doing an extremely good job."

"Through his pressure on the Director of Technical Education three new teachers were appointed to the school, but four more resigned."

"This is a very grave matter."

"I believe Altona Council could prepare publicity material and place this in the teachers' colleges to show the amenities we have to offer. It would cost a few dollars,

"We in the Western Suburbs always come off worst. Like in other matters we are being short-changed."

"Unless, things in the schools improve, it will have a very serious result in the next 20 years."

The Mayor added that the Council was very concerned with the problem.

"Any advertising we can do would be of benefit," he said.

but it would be money very well spent, because it would benefit the ratepayers' children.

SIX CARS FOR \$10

Mr. B. Hibberd, Pier Street, Altona, bought six cars — three Fords, two Holdens and a Vanguard — from Altona Council on Tuesday, and he only paid \$10.

There's a catch, though.

The cars are unclaimed derelict vehicles impounded by the council, and only have value as scrap metal.

Mr. Hibberd's offer of \$10 was the only tender received by the council.

Protest At Rail Fines

Altona Council will protest to the Railways Department at recent increases in the fine for travelling without a ticket.

"There are two stations here where you can't buy a ticket and another one where you have to buy your ticket at a shop," Cr. R. K. Richardson said.

"It's unfair that some people could be caught by a checker and fined \$50 when they had no opportunity to buy a ticket."

\$200 Fine

Altona Petrochemical Co. Ltd. was fined \$200 in Williamstown Court last week for permitting dark smoke to be emitted from a chimney on April 22, Mr. J. Mellors, Chief Health Inspector, told council on Tuesday.

He said the company was ordered to pay \$61.50 costs to the council. He added that the case arose from observation he and other Altona health inspectors made on April 22.

Cr. W. L. Crofts commended the health inspectors for the part they played in the prosecution.

"I feel they went beyond the course of their duty in preparing and bringing this case before the court," Cr. Crofts said.

"It's good to see that what the council says about pollution is not just a lot of hot air, and that it is prepared to back up its word," added Cr. P. J. Lynch.

1970 Mayoral Ball

Debutantes at the 1970 Mayoral Ball last Friday entered the Civic Hall through an attractive gateway flanked by banks of shrubs and poinsettias on the stage.

They gracefully descended a centre stairway and crossed the ballroom floor to curtsy to the Mayor of Altona, Cr. Pat Burns, and the Mayoress Mrs. Burns. Seated with them was Town Clerk Mr. J. Waters and Mrs. Waters.

Dressed in white gowns of individual styling the lovely debutantes carried posies tied with pale blue ribbon streamers. The three flowergirls

had the same blue ribbons trailing from their wrists.

Flowergirl Brenda Lynch held the gateway open for the Debutantes and the other two, Donna Richards and Glenda May Smith, presented flowers to the Mayoress and Mrs. Waters.

The set of twelve girls and partners danced the Suzanne Waltz and when the music changed for the Modern Waltz

the Mayor and Mayoress joined the dancing.

Among the distinguished visitors were representatives of the municipalities of Sunshine, Broadmeadows, Footscray, Keilor, Werribee and Williamstown, the Hon. A. W. Knight, MLC for Melbourne West and Mrs. Knight, Mr. Larry Floyd, Member for Williamstown, Mr. J. J. Doyle, Member for Gisborne and Mrs. Doyle and all Altona councillors accompanied by their wives.

The debutantes, their partners, and the official guests were introduced by Mr. Rob-

ert Waters who handed over the compering of the evening to Cr. W. Sommers.

Miss Suzanne Wilson trained the debutante set and throughout their training music was provided by Mrs. May Stringer playing the piano but unfortunately illness prevented her from attending the ball.

Before supper was served in a marquee set on the lawns adjoining the garden court guests were entertained by singer Mr. Ronald Wilson.

Eight Weeks To Sewer

Three Blackshaws Road residents will be told Altona Council will take action against them unless they have their properties connected to the sewer within eight weeks.

Two of the residents failed to reply to a council request for an explanation why their properties had not yet been connected. The other replied that it would only be a matter of "a few weeks" before the sewer was connected.

Seated in front of the debutantes and their partners are (from the left): Town Clerk Mr. J. Waters, Mrs. Waters, Flowergirl Donna Richards, the Mayor of Altona Cr. P. Burns, Mayoress Mrs. Burns, Flowergirl Glenda May Smith and Debutante Tutor Miss Suzanne Wilson.

CENTRE ROW — Flowergirl Brenda Lynch, George Szatkowski, Susan Wheeler, Graeme Sheers, Mema den Hartog, Stephen Bulmer, Maree Sleeman, James Heiner, Elizabeth Barnes.

BACK ROW — Andrew Fischer, Rhonda Brook, Ian McLennan, Gail Studley, Peter Gusaushas, Jennine Chrystal, Kevin Coleman, Marlene Harrison, Jeffrey Kendall, Cheryl Young, John Halley, Jacqueline Maxwell, Stephen Foskett, Heather Reid, John Fischer, Susan Burnett.

THE SALVATION ARMY

We salute the Salvation Army. It is, of course, not the only Church helping those in need.

There is no part of its varied humanitarian activity that is not carried out also by other denominations.

But the fact speaks for itself in that the Army has for so many years maintained an outstanding reputation for its work amongst the down and outs.

There may be some forms of the Church Army not very agreeable to us—its persistency—its importunity—its brashness. Our mind may be more inclined to hear "a still small voice."

But we do admire the Salvation Army, and believe it would be of greater good if some of its distinctive attributes were more common in other denominations.

In brief, the Army is worthy and deserving of support.

Because many of its number practice and proclaim the excellent virtue of self denial.

Because it gives great emphasis to its mission to seek and save the lost.

Because in a changing world it has so strongly maintained its original standards.

Because its dedicated followers pass the test of Christian discipleship. "Let him deny himself, and take up his cross daily and follow me."

And simply because it is doing a good work.

A branch office of the real estate agency of F. & L. Vesta Pty. Ltd., has been opened in Somers Parade, Altona.

Mr. John Dunlop Dies

He is survived by his niece and husband, Effie and Frank Kirk and their daughters Glenys and Helen.

ALTONA HIGH SCHOOL TO PRESENT A GILBERT AND SULLIVAN OPERETTA

The production of a Gilbert and Sullivan operetta 'The Pirates of Penzance,' is at present involving a percentage of the students and staff of the Altona High School.

This is in accordance with the tradition the school has developed over the past few years, it being noted for the high standard and zest of its productions. These have offered great enjoyment to those who watched and those who participated.

The show is being produced by Mr. Paul Borg, an ex-master of the school. This means that much of the rehearsing has to be done outside school time. It says much for the enthusiasm and loyalty of both students and staff that they turn up regularly each week for long and sometimes arduous rehearsals. Despite the hard work, however, there is plenty of fun to be had, and the work is progressing well. Already the girls are horrified at the thought of becoming "conjugal matrimony" to such a bunch of piratical students.

The musical direction of the show is in the hands of Mr. Michael B. Downes, a friend of the school.

Mr. Borg and Mr. Downes are being ably assisted by Mrs. H. Tregear, and Miss J. McQuarrie, an ex-student.

'Stars' of past produc-

tions again appearing are Philip Tyrell, Julie Findlay, Michael Kublik, and Ron Gordon. There will be several new faces in principal roles this year.

The show will be presented on the nights of the 13th, 14th, 15th, 17th and 19th of August. It is hoped to present a matinee, possibly on the 12th of August in accordance with the tradition of the school, for the Elderly Citizens of Altona. The school hopes to receive the same wholehearted support from the citizens of Altona as it has in past years.

Teenage Consultation

Teenagers, parents of teenagers and interested adults are asked to attend a meeting to discuss the needs of teenagers in Altona and how St. Eanswythe's Church of England can help fulfil these needs.

The meeting will take place at 8.00 p.m. on Thursday, July 16 at the home of Mr. and Mrs. R. Andrew, 121 Esplanade, Altona. It is hoped that out of this meeting some form of relevant

"Chips" Plan To Minister

The Western Suburbs Municipal Association has referred to the Minister for Local Government a suggestion by Altona Council that the Weights and Measures Act be amended to regulate the sale of chips by weight.

Altona believed this method would be fairer than the present haphazard method of measuring chips for sale.

Altona's next General Purposes Committee will consider items for submission to the Municipal Association of Victoria's sectional council meeting on August 12.

Cr. W. L. Crofts said the committee could consider a number of items, including Fire Brigade levies, sewerage, beach levies, and libraries.

"We must continue to impress on the Government that we are not satisfied with the way councils are treated," he said.

Wants Details Of Estate Plans

Altona Council will defer consideration of correspondence from Slough Estates Australia Pty. Ltd. until the company provides the council with details of its overall development plans.

"We want to be quite clear in our minds what over-all development is planned before we do anything further," said Cr. W. L. Crofts.

"I heard on the grapevine that there might even be a hotel going into the area."

He said representatives of the company had earlier agreed to provide development details to the council.

The company informed council on Tuesday that it agreed to contribute \$8000 towards the construction of a link road between Kororoit Creek Road and Merton Street provided the council agree to certain conditions. The conditions included several design matters, a provision that no further charges would be made against the company in connection with the road, and the work would be completed by March 31, 1971.

Elderlies Want Mini Bus

Mr. F. W. Bennett, President of the Williamstown Elderly Citizens' Club, has asked Williamstown Council to meet the club's sub-committee for discussion on the purchase of a mini-bus to transport aged and disabled members.

Mr. Bennett said the club management committee had reached the stage where consideration could be given to buying or at least ordering the bus.

He said there were a number of problems associated with operating the bus, including its use, garaging and maintenance and the area of service.

The Town Clerk, Mr. J. E. Morley, has been instructed to arrange a conference.

The Commonwealth Department of Social Services has approved grants for the delivered meals services of

the Newport and Williamstown Elderly Citizens' Clubs.

The Department said the grants were to assist in the establishment, expansion, improvement and maintenance of delivered meals services, and future grants would be based on the number of meals served the previous year.

Dressing Rooms Wanted

Newport Elderly Citizens' Club has asked Williamstown Council to provide two dressing rooms behind the stage of the club building.

The club said it was embarrassing to have no suitable change rooms for members of visiting concert parties.

Mr. J. T. Rees, City Engineer, will report on the cost and suitability of the proposal.

THE CURTAIN RISES

BY THISBE

THE Williamstown Little Theatre should publish its own "Who's Who", especially for the cast of "The Duenna".

Some of the names are well known on the stage and others are making their first appearance with Williamstown.

Anne Luckhurst will be remembered by local people for her portrayal of Anne in "Half a Sixpence" with the Williamstown Light Opera Company.

Noella Finn has had a varied career in all types of theatre. She has appeared on stage, in television, pantomime and has had her own cabaret act.

A newcomer to the Melbourne scene is Raoul de Vidas. He has performed with the Twelfth Night Theatre and the Brisbane Arts.

Vin Foster is playing another of his brilliant character performances that Williamstown audiences have become to expect from him.

"The Duenna" is being played by Gwladys Winfield who has recently endeared herself to audiences as the lady "who never touched a drop" in "Black Comedy".

Grahame Murphy, actor, scenery designer, will be seen in all these capacities.

Doug Lindsay and Bill Middlemass are both well-known to our audiences. Doug for his excellent performance in "The Recruiting Officer" and Bill for "Odd Man In".

Garry Cameron is a dancer who started his career in pantomime and is at home in all types of dance, including ballroom and jazz. He has performed with Regent and Viaduct.

Terry Camilleri has appeared in several television specials and with Regent and WLOC.

The chorus will include Eileen Price, Benita Reade, Bronwyn Thomas, Val Wilson, Richard Roper, Anthony Reade, Peter Mitchell and Peter Cheasley with Carol Johnson at the piano.

"The Duenna" will be staged at the Williamstown Little Theatre, 2-4 Albert Street, on Monday, July 20, to Saturday, August 1.

Bookings open at E. S. Marr's Music Shop on July 13.

If you want to be sure of your comfortable seat for what will be a very popular show, you must book early.

The theatre is carpeted and heated, so the only thing you will miss will be the television—and you can watch that at any time.

Come along and have a cup of coffee at interval with your friends.

CHILD CARE

The Association of Child Care Centres, which sought Williamstown Council's support recently for proposed amendments to child care regulations, said last week its suggestions did not refer to people's right to decide how or where they had their children looked after, nor meant to interfere with arrangements between family friends or relations.

The Association said the suggestions only referred to people or organisations which offered to care for children for fee or reward, and were meant to have these people comply with the same rules and regulations as members of the Association.

The Association said the suggestions were based on 10 or 15 years' experience in operating centres and were offered as constructive suggestions for the improvement and extension of regulations to make them more practical and workable.

AGREED ON MEETING

The Minister of Mines has agreed to allow the District Mines Inspector, Mr. R. Davey, to attend a meeting of Williamstown's Public Works Committee.

Also present at the meeting will be Mr. C. Martin, Senior Inspector of Mines, and Mr. N. C. Hawthorn, Williamstown's Chief Health Inspector.

"There are several matters we need to discuss," Cr. J. M. Byron told the council. "The residents around the Newport Quarry have kept a log of the hours blasting has taken place outside those prescribed by the Mines Department."

Lecture On National Trust

A talk on the work of the National Trust in Victoria by one of the Trust's honorary lecturers, Mrs. Patricia Penrose, will be given in the Holy Trinity Church Hall, Williamstown, on Thursday, July 9, at 8 p.m.

A 40c entrance charge will include supper.

Mrs. Penrose, who is a Ripponlea resident has been a member of the National Trust for many years and joined the speaker's panel four years ago.

She is also a member of the Brighton Historical Society and by profession is a lecturer of the Emily McPherson College.

She believes that everyone should do their utmost to preserve our historic buildings, land marks and relics.

The people of Williamstown are very fortunate to have such an historic background and they must be proud of their heritage.

As the first continuous settlement on the shores of Port Phillip, Williamstown has played a vital role in the foundation of this State. One only has to walk along The Strand and Nelson Place to view the preserved evidence of this.

Slides will be shown by Mrs. Penrose and she also will speak of the preservation of historic buildings in other cities and towns of Victoria.

Mrs. Penrose said last week that "More and more people are becoming aware of the need for preservation of our history. As a young country we can learn from other countries who now regret the demolition and bulldozing of their historical buildings. At great monetary cost they erect replicas in an effort to give future generations a glimpse into the past.

Not only is preservation important from a cultural point of view, but economic benefits come from well-planned conservation. These will automatically flow to a town or region who plan properly and execute preservation projects.

FOOTSCRAY HOSPITAL EXPANSION PROGRAM

RESIDENTS, business, industry and their employees in the Western Suburbs will be asked to help the Footscray and District Hospital implement a programme of expansion.

The Hospital and Charities Commission has given approval to conduct a Public Appeal for \$100,000 in May 1971 to provide funds for the various expansion projects culminating in the provision of an additional 160 beds.

INDUSTRIALIST TO LEAD APPEAL

Well known Western Suburbs Industrialist, Mr. Con Weickhardt, has accepted Chairmanship of the Appeal Committee. Mr. Weickhardt is Chairman of Directors of the following companies: Duff Steel Industries Pty. Ltd. in Victoria and New South Wales, Business Systems Pty. Ltd. in Sydney, B.K. Spouting Pty. Ltd. and Deluge Skylights Pty. Ltd. in Brunswick.

Mr. Weickhardt has given tremendous community service to many Health and Welfare Organisations which include 3AW Community Service Board; in the early 50's he was Chairman of the Melbourne Newsboys Club and was on the Committees of the Lord Mayor's Command Performance and Operation Gratitude for the R.S.L.

The Hospital President, Mr. R. G. Parsons, O.B.E., at a recent meeting welcomed the following gentlemen who have volunteered to be members of the Executive Appeal Committee: Messrs. W. Beevers, W. More, W. Jamieson, E. Farnsworth, K. Burnham, T. Osborn, E. H. Kinnear, H. Webb, R. Bult and Cr. R. Bassett.

APPEAL DIRECTOR IS HOSPITAL MAN

The Hospital Board has appointed their public relations officer, Mr. Reg Womersley, as Appeal Director. Mr. Womersley has been public relations officer at the Footscray and District Hospital for the past four years, and came to the Hospital with a wealth of welfare activities behind him.

Born in Victoria, Mr. Womersley spent several years in Queensland where he helped various health and welfare organisations raise a quarter of a million dollars.

VAST AREA SERVICED

Estimated number of people in the area served by the Footscray and District Hospital is 300,000.

With the opening of the West Gate Bridge this figure could reach half a million in a very short time.

STAFF INCREASES

Staff employed at the Hospital is now approximately 600, and this will increase sharply when extended services are provided for the public.

NURSING SERVICES

This great Hospital has a fine record in the field of Nursing. During its time of existence—17 years—there has not been a shortage of Nursing Staff. The Hospital's School of Nursing, with its high standard of teaching, has provided the Hospital with a ready source of trained nursing staff.

PET SHOW RESULTS

Results of the Pet Show, held in the St. John Ambulance Hall, Williamstown, on Saturday, June 20, are:

Pet Most Like Master: Graeme Purcell.

Most Obedient Pet: Leonie Thurely.

Best Decorated Pet: Joanne Jeffkins.

The Nursing Cadets wish to thank everyone who helped to make this show a success.

Swimming Classes For Asthmatic Children

THE Women's Committee of the Asthma Foundation of Victoria will commence swimming classes for asthmatic children over 5 years on July 3rd.

These classes follow the successful establishment of a similar programme in New South Wales some years ago and will be the first of its kind carried out here.

The project has the approval of the Foundation's Medical and Scientific Committee and classes will be conducted at two indoor heated pools in the metropolitan area. Trained instructors will supervise the classes, the object of which will be to stimulate recreational activity, which the Foundation feels is good for asthmatic children.

The lessons are not in any way considered to be treatment for asthma but are to help the children gain confidence in the water and to teach them to swim with the correct breathing method in the most relaxed manner possible. Participants will be encouraged to proceed for more advanced lessons with fully qualified professional instructors.

It is necessary that parents obtain a letter of referral to the classes from their child's doctor and forward it to the Foundation before arrangements are made for enrolment. There is no fee, the service is sponsored by the Women's Committee, The Asthma Foundation of Victoria, 2 Highfield Gve., Kew, 3101. Further inquiries may be made through the Foundation's Secretary, telephone 86-5666.

After the service supper will be served to enable parishioners to welcome the Rev. Pope, his wife and family to Altona North.

SCHOOL COMMITTEES HAVE FREER HAND IN NEW GRANTS PLAN

(REPRINT FROM "SCHOOL BELL")

ON MAY 13, the Minister of Education, Mr. L. H. S. Thompson, announced in an election speech that, if re-elected, the Government would replace the present subsidy system by a scheme of unconditional grants to the schools.

sent are \$1080, as compared with \$1358 for the high school of the same enrolment.

Parents' funds of \$560 are required to match the subsidies, thus allowing work to a value of \$1640 to be carried out.

Under the new scheme, the primary school would be able to do the same total work for a reduction of \$520 in parents' funds.

Alternatively, if the school still raised the same amount of money from parents, it could do \$520-worth more work under the new scheme than before.

There are evident advantages in the principles of the scheme proposed by Mr. Thompson, which follows representations from VICCSO conferences and discussions between VICCSO and the Education Department over many years.

Under the scheme, committees and councils will have more authority, discretion and responsibility for the disbursement of funds made available to them.

Furthermore, the substitution of direct grants for subsidies is a step in the direction of removing some of the inequalities of opportunity imposed on students—particularly those at schools in poorer areas.

However, a proper appraisal of the proposal awaits a complete declaration of the new policy, including an indication of the goods and services expected to be provided by the new grants.

We would expect a continuous transfer of items from the present list of subsidised goods and services to the category of "provided

automatically by the Department".

Moreover, we would hope that the Department's allocations to school maintenance works will be sufficient to ensure that committees and councils are not forced to use grant money for this kind of work to the detriment of direct educational improvements to the schools.

Newport Amateur Swimming Club

Another successful Winter Pennant meeting was held on Sunday, June 28, at the Footscray Baths.

The senior girls, after exciting swimming, were defeated by the strong Ballarat girls by one point, but the seniors boys, junior boys and junior girls won convincingly.

The junior girls are leading their section, whilst the senior boys are second. Both these sides are almost certain to reach the finals.

The relay swimming of the club was outstanding and it was most pleasing for the club to have swimmers in every event.

Individual winners were Geraldine Murphy, Clyde Davenport and Alan Preston, each with two wins, whilst the other winners were Robyn Van der Reyden, Stephen Kane, Michael Portelli, Peter Hickey and Therese Febey.

As the swimming season is well underway, it is pleasing to note that the times of each swimmer has greatly improved. Thanks must be extended to the club coach, Mr. Merv. Splatt, for these successes.

Amateur Athletics

Williamstown Amateur Athletic Club held a 10,000 metres race from the club-room last Saturday.

Handicap winner was Rob Brown who showed great improvement on recent runs to beat Peter Whinney.

Fastest time went to Terry Phelan (32.21) who just finished in front of Fred Howe (32.26), followed by Steve Conas (34.45).

Early in the race Fred Howe set the pace. However, Terry Phelan proved too strong over the concluding stages of the race.

The juniors ran a 3-mile race into a strong headwind. Robert Hall won the handicap from Eero Keranen (18.31). All juniors are invited to compete in the next club run in a few weeks time.

Leaders in the Liston Trophy are Rob Brown, 17 points, and John Condon, 16 points.

Felix Jakabson has started his fitness classes which are held at 5.30 p.m. on Thursday nights.

Scorers.—Tries: M. Gurkin 4, I. Douglas.

UNDER 14 St. Paul's College, 60, d. Williamstown Tech. School, nil.

Altona North Tech. School had a walkover from Sunshine Tech. School for a 11 to nil win.

UNDER 16 Williamstown Tech. School, 11, d. Harlequins, nil.

Playing in the Glen Iris mud pool, WTS did not enjoy the atrocious conditions and the effort of Harlequins.

Altona North Tech. School, 10, lost to Box Hill, 17.

Playing at Box Hill, ANTS lost their first competition match for this season to third top team Box Hill in a game that did not function as well as usual.

WESTERN SUBURBS TABLE TENNIS

THE Williamstown Colts combination of Barry Taylor, Steve Slattery, Mike Dudziak moved to second place on the Western Suburbs Table Tennis A Grade ladder when they easily defeated a weakened Maribyrnong side 8-3 in the eighth round of the 1970 Winter Pennant.

Slattery and Taylor were undefeated in singles, each winning three rubbers. However, they dropped their doubles rubber to Maribyrnong's Frank Kovacs and Des Jones, who won one singles rubber each, and were Maribyrnong's only representatives on the night.

Robert Bodingtons (Lindsay Loone, John Garvin, Alan Coustley) rose to top place when they received a percentage-boosting 11-0 walkover from Liston-Esplanade (John Kelly, Dave Fowler).

Kingsville (Ted Weiss, Jim Montgomery, Stephen Hayes) won easily from an improving Centre (Mike Burgess, Kris Lubowiecki, Chris Slattery), 9-2.

B1 GRADE

Avondale Heights Community Youth Club, playing below strength, were no match for Brooklyn, undisputed leaders in this grade and lost 10-1.

Australian Glass retained second place with a tight win over Centre (Jack Wylie, Dave Doyle, Helmut Roeder).

B2 GRADE

Youthful Seaholme (Brett Marlow, Ted and Bill Simmonds) outplayed veterans Ken Winfield and Theo Moltz, of Goetz, and won 7-4. However Goetz did not field a complete team. Bill Simmonds starred for Seaholme with three wins and for Goetz Moltz and Winfield won two each.

Reckitt & Colman were too strong for Goodrich (Don McLaren, John Cuce, Ken Weston) and won 10-1.

Ted Powell and Alan Evans were unbeaten with three wins each and Jack Jennings won two rubbers, whilst for Goodrich, Ken Weston won their only rubber.

C1 GRADE

Grieve Highway (Gordon Lewis, Neil Wynn, Fred Murphy) continued an unbeaten run with a 9-2 win over a weakened Reckitt & Colman (Pat Berry, Bob Wendt).

D1 GRADE

Top team, Avondale Heights Youth Club (1) showed their strength when they narrowly defeated nearest rivals McKenzie & Holland 6-5. J. Asha and J. Camilleri won two rubbers for McKenzie & Holland.

Union Carbide moved into fourth position when they outpointed F.E.W. 7-4. Gordon Morris and Jack O'Brien won two rubbers each for Union Carbide whilst for F.E.W. Ron Fowler was outstanding, winning all three rubbers.

Newport easily accounted for Brooklyn Youth Club, winning 9-2. Colin O'Brien was the star of the match, winning three rubbers. He was ably supported by R. Quail and J. Freeburn with two rubbers each. J. Zudka was Brooklyn's best player with two rubbers.

D2 GRADE

Williamstown Youth Club now head the grade following an easy 10-1 victory over AGM, 10-1. Frank Milton and Peter Reilman won three rubbers each and D. Pearce won AGM's only rubber.

Esso Tigers (1) remain in fourth position following a 7-4 win against St. Mary's. J. McKenzie won all three rubbers for Esso, whilst G. Casar was St. Mary's best player with two rubbers.

E1 GRADE

Bertrams continued on their winning way when they crushed St. Mary's "B" 11-0. B. H. and E. Bartram all won three rubbers each.

St. Andrew's C.C. retained second position when they outpointed an improving Ixer Social Club 7-4. Noel Bunce was the star of the match, winning three rubbers whilst R. Wheldon was Ixer's best player with two rubbers.

St. Mary's "A" had a relatively easy win over Triangle at 8-3. Ron Elias, Ron Maloney and Charlie Nuzzo all won two rubbers each. However the star of the match was George Holowko for Triangle who won all three rubbers.

Seaholme kept their finals hopes alive when they scraped home against St. Albans 6-5. S. Jeffrey won two rubbers for Seaholme, whilst for St. Albans Steven Fellows starred, winning three rubbers.

WESTERN SUBURBAN FOOTBALL LEAGUE

Sanderson Notches 10 Goals In W.S.F.L.

By WARDEN JAMES

Three weeks ago Newport's Cliff Sanderson wanted a clearance because he was not getting a game. Last Saturday he was the toast of the side after kicking 10 goals at full-forward.

Together with Bob Taylor and Bob Coleman, back with the club after a tryout at South Melbourne, Sanderson steered Newport to a very comfortable win over Williamstown.

They now hold second place on the ladder with only slight percentage separating them from West Newport (top) and Altona (third).

Maidstone, sadly depleted by injuries from last week were also without Ron Tennick and Ken Archensaw against Werribee this week, and proved no match for Werribee.

Acting skipper Graeme Rankin, returned to form with a vengeance to turn in his best game for the season.

Altona and Central Altona, who hold third and fourth positions on the ladder, fought out a close match with Altona emerging victors by seven points.

Both sides made good use of the breeze with the scores being level at half time. Altona went to a 21-point lead at three-quarter time and were able to hang on to win.

Laverton took quite a while to hit their straps against bottom team Brooklyn, but finally came good to win by four goals.

Leaders West Newport put together a seven goal burst in the second quarter to take the points against RAAF Point Cook in a hard game marred by the poor umpiring.

In Under 18, top team Altona A kicked seven goals with the wind in the first quarter and were never headed to win by 35 points over West Newport.

Altona's clash with Newport (second) next week could be a preview to this year's grand final in this section.

Newport, with Alan Flavel and John Maloney starring with five goals apiece, had little trouble in defeating lowly Central Altona.

Altona B, although handicapped by the loss of regular coach Alex Johns, still proved too strong for Laverton to win by 15 points.

Mr. Johns has had a bereavement in the family and everyone in the Western Suburban League, particularly his own players, extend their condolences.

In Under 16, leaders Williamstown proved much

Der Poe; 2, S. Chatfield, G. Blokkeerus, M. Beer and G. Wilson.

Dominating players for Newport were A. Flavel 5, J. Moloney 5, J. Woods, R. Jones, B. Woods and S. Hickey while others to score were P. Dunn, G. Duncan and G. Watson.

Battlers for Central Altona were J. Puppola, L. Thwaites, D. Rockhamper, I. Laffey and M. Ivory. Goals were scored by J. Kuzan 2, C. Beer, A. Vasiladis and B. Feth.

Altona B's best were K. Churchill 4, H. Van Der Poel 1, D. Hitchcock, R. Heaney and B. Smith, while other scorers were K. Haining 2, R. Greenshields.

Good performers for Laverton were K. Allen, M. Payne 2, K. Tootell 1, J. Douglas 2, D. McEvoy and G. Evarne, while I. McDonald also goaled.

UNDER 16

Williamstown 12.13.85 d. Devon Park 1.4.10, Newport 9.12.66 d. West Newport 2.3.15, Altona bye.

Outstanding players for Williamstown were J. Hynes, R. Rowe 1, B. Hill 3 and C. Gardiner 3, while other scorers were P. Ward 3, A. Fitzpatrick and R. Tyrell.

Brilliant players for Newport were F. Collus, E. Lambden, N. Potter 3, P. Starbuck 1, and J. Dey, while other scorers were J. Hallet 2, G. Page 2 and R. Smith.

NORMIE ROWE MAY APPEAR IN ALTONA

The dance at the Civic Hall a fortnight ago was so successful that another one may be held in about a month's time with Normie Rowe as the guest artist.

Nothing is definite yet, but if there is any way of coaxing Australia's former King of Pop to sing here it will be done.

Normie has done nothing spectacular since his discharge from the army earlier this year. Obviously he is aiming for a more "adult" image now but he has made some dance appearances. One successful spot performance was at Swan Hill where he was backed by the Total Fire Band. If it is possible to obtain the use of the Civic Hall again the dance will be run on similar lines to the dance featuring Aesop's Fables.

Issy Dy Wants To Visit Schools

Issy Dy tells me that he is interested in visiting schools during the lunch hour to meet some of his fans and put on a small pop concert. He is very enthusiastic about this and wants to hear from you if you would like to see him at your school. If you would like to see him at your school, drop a line to "Issy Dy," c/o "Swinging World," The Altona Star, 101 Pier Street, Altona, and I will see that he gets every letter. You can also ask him any questions you like and he will do his best to answer them through this paper.

Behind The Scene

Rick Winston Reports

Every year without fail there are cries of: "The pop scene is finished," but it lives on. Australian Associated Talent Guild has made a computer survey over the years and it would be true to say that 1970 is proving to be the toughest year yet. It has nothing to do with the record ban. The Guild lists the credit squeeze and increasing prices of equipment as prime factors. A group called "Afterglow" is starting one of the biggest promotion campaigns yet launched in Melbourne. The guys are using a method which is more direct than advertising through newspapers. "West End" and "Small Talk" will be following. Fan clubs are regaining popularity. This year the Dave McCallum Power Set has undergone so many changes that one wonders where the power really lies. Nothing like cashing in on a dying name on the pop scene. Jim, formerly of the Push, has joined the group and it looks like he is taking over management. Former lead singer with Dave McCallum, Philip Bell and his brother Ian have left the group and are now members of an excellent unit called the Georgian Wood. Can the winner of this year's Battle of the Sounds be nominated. Yes, the Town Criers. Not everybody likes the Town Criers or their records. But their professional stage presentation is unquestionable. Michael Browning is back in Melbourne. Strange, Doug Parkinson now in London. Australian Associated Talent Guild now has a London representative taking the place of Michael Cohen who will transfer to the New York office. The lovely Ann, secretary of the Guild for five years, has transferred to Sydney where she will be joined by another Guild director to make the Sydney team up to four. The big question being debated is whether the Guild should leave Melbourne and transfer to Sydney. Must admire people behind the "Make Australia Beautiful" campaign. A similar slogan could be used around the pop scene. Something like "Tidy up or else."

Did the drug issue spell the end of the Valentines? Or was it their respective ages? Both St. Louis Union and Christopher Robin have left Melbourne to explore the Sydney scene after considering all offers. Rod Tyson will leave in four weeks time to take over as lead singer and resident director of the Guild. Has Max Merritt's voice taken too much? And will he continue much longer? We should know the answer soon because of his forthcoming overseas trip in August. Billy Thorpe is accepting bookings for July but it is doubtful whether he will be in Australia for August. Agency hopping is not a very good thing for the groups. To give you the DRUM, several groups linked themselves with the new Mel-

bourne agency only to find that things did not quite work out the way they planned. So when they contacted their old agencies they were immediately informed that they were no longer required. Moral of the story is — stick with your agency. Lunch hour concerts have become popular in schools and institutes. It's really great to see TOTAL FIRE BAND with dear Fab old Arthur firing away again. Changing of drummer caused the hold up. Recommend the Spice of Life as a good cabaret act. They are the happiest people in Melbourne. One of the best managers on the teen scene is Adrian Anderson. Adrian has been away in the Reserve Army so this meant no news of Sunshine. But here is the line-up: Brian Wilson, vocals and rhythm; Walli Edwards, drums; Ian Holding, bass guitar, flute and vocals; Ralph Boyd, lead. Brian Wilson will be remembered as singer for the Wild Cherries. Keith Corbett, former bass guitarist with Dave Miller Set and Heart 'N Soul has formed his own group called Black Feather. Sydney group, Plastic Tears visited Melbourne and not a tear was shed. Ray Nugent (ex Opus) and Bill Joseph are in partnership with the running of the Palace a Dance in Broadmeadows. Paul Jones visits Melbourne from August 5 to 9. PROCOL HARUM are still on the international scene with Keith Reid, B. J. Wilson, Gary Brooker and Chris Copping. And by the way, Robin Trover is still there too. And some of the top overseas groups you are hearing nothing about are: Edison Lighthouse, Pipkins, White Plains (with a record released in Australia). Brotherhood of Man and Blue Mink.

LISTON-ESPLANADE CONTINUES WINNING RUN

IN THE closest match of the season Liston-Esplanade defeated a strong Elsternwick team by the narrow margin of three games to maintain its huge lead in the Lawn Tennis Association of Victoria's A Grade Pennant Competition.

Liston-Esplanade, 2-4-40, d. Elsternwick, 2-4-37.
John Hillebrand-John Stephens d. Neale Fraser-Michael Cain, 6-2, 6-4, and d. Brian Connors-George Collins, 6-4, 6-3.

Don Cameron-David Wright lost to Connor-Collins 4-6, 2-6, and lost to Fraser-Cain, 5-6, 5-6.

Highlight of the match was the outstanding form shown by John Hillebrand and John Stephens who combined brilliantly to overwhelm their opponents.

The local pair, who are the current State Hardcourt doubles title-holders are really clicking as a top class pair and Neale Fraser needed a stronger partner than Michael Cain to stop their run. Cain lapsed at vital stages and Fraser could not produce dominating tennis to make up the weakness.

With only three matches remaining the A Grade ladder is:

Liston-Esplanade	10
Glen Iris	6
Royal South Yarra	6
Grace Park	6
MCC	6
Elsternwick	5
Beaumaris	2
Lauriston	1

(The above does not include an unfinished match: MCC v. RSY).

Liston-Esplanade's remaining matches are: July 5, MCC, away; July 12, Glen Iris, home; July 19, Lauriston, away.

In other grades the club's "C" Special d. Beaumaris, 4-8-50 to 0-2-33. The local team, comprising Michael and John Kelly and Robert Walker-John Hewitt are running second on the list.

The "C" No. 2 team defeated Auburn Heights, 3-1. Rubbers winners were David Sinclair-Ross, Anderson (two) and Charlie Trickey-Ron Bury (one).

The "D" No. 1 team defeated East Malvern 3-6-37 to 1-2-21. Les Allan and David Fowler starred, winning both their rubbers in straight sets and conceding only four games for the day. The other rubber winners were Phil Burgoine and Wayne Pauline.

The Third Annual Gala Jubilee Dinner was a great success and it was quite a surprise to club officials to see the winning results on the Saturday of those attending the dinner on the night before.

Club coach Ron Bury has vacancies in his classes at present and as these are limited any parents wishing to enrol should contact Ron at the Nelson Place courts any Saturday morning.

Best: A. Harris.
Scores: Williamstown, 4, lost to Fitzroy, 7.

THIRDS
The Thirds were defeated by one run in a game that was held to a draw for most of the day. It was the Williamstown side's inability to bat that lost the game for them.

Best: R. Halley.
Scores: Williamstown, 3, lost to Fitzroy, 4.

Approximately 20 riders contested the sprint which was taken out in fine style by John Grima who also carried off fastest time honors.

Terry Stone held on tenaciously to take out second placing while Wayne Wallace finished third.

FEARONS TOO GOOD FOR MALVERN BLACKS

IN BEATING Malvern Blacks 20-10, the Fearons have once again proved that they stand alone in the Senior A Division and that clubs such as Malvern and Caulfield will have to vastly improve if they want to stop the Fearons winning their fourth pennant in a row.

City started very slowly against Chadstone and were trailing 4-9 at half-time.

Clever goals by J. Spicer and B. McDonald early in the third term spurred the Cities on and at the end of that quarter were only two goals down.

A further spurt in the last quarter enabled the Cities to take the lead and they ran out winners 14-12.

Deacons proved too strong and experienced for Monash University and finished up with 20-5 on the board.

ALTONA CITY IN FOUR

AFTER Saturday's great 4-0 win over Ringwood, Altona City Soccer Club moved into the top four of Division 1.

The Maroons were back to full strength, Jimmy Ackers having recovered from his injury.

Ringwood's ground was very heavy and players had to adopt different tactics than usual.

Hans Delamyn, who is the youngest player in the team, was first to cotton on to the wide open game that was needed on a heavy ground.

Hynes was another player to get into the act.

Herman, Allen and King combined to make a chance for Savage. Billy shot from close range but a superb save by the keeper stopped a certain goal.

Ringwood made an all-out assault on the Altona goal. Ian Roberts was in tremendous form. Two saves in particular were fabulous. This gave the Altona boys the chance to settle down.

Colbard and Milloy cracked on the pace. Jimmy Allen, the schemer in the forward zone, was in perfect position to head home a Colbard free kick and the Maroons, had hit the front.

Ringwood kept pegging away but the "iron curtain" of Ackers, Hynes and Delamyn formed an impenetrable barrier.

Stancovski was inclined to slow the game down too much with speed merchants like Herman and Savage. A quicker ball is needed to open up play.

Savage was wending his way through the Ringwood defence when he was upended. The referee gave no penalty and the Altona supporters gave him a "roast" for a bad decision.

Half-time came with Altona still holding on to their slender lead.

In the second half the Maroons went to pieces. Only Delamyn and Hynes, well backed-up by Roberts, saw Altona through a sticky period. The forwards got going again. Herman, King and Allen gained a corner on the right. Jimmy Allen swung over a nice ball and Savage smacked home goal No. 2.

Ioranus was brought on by Altona. A fresh man at this stage enabled Altona to put on more pressure.

In a melee around the Ringwood goal Herman banged the ball home for goal No. 3.

The home team never gave up trying but there was no known way to beat the Altona defence and with lightning speed Savage, Herman and King could create holes in their defence.

King and Savage both came close to scoring before Allan, with a perfect pass, sent Herman away. Steve roared in on goal to slip home goal No. 4. It was a bit hard on Ringwood to lose by four goals, but there was no denying Altona are a good side when at full strength.

It was hard to separate Hynes, Delamyn and Roberts for top honors. Allen and Colbard are two "gift horses" of top calibre who fit in well. Coach Harry Sutherland must be more than pleased with this showing.

This Saturday Carlton come to Kim Reserve in the third round Federation Cup. Altona are cup holders and have no intentions of giving it up easily.

JUNIORS

UNDER 14

Altona, away to Sunshine, made hard work of their 7 goals to 2 win.

Altona scored early but Sunshine equalised soon after with a penalty. Altona scored again to lead only to see Sunshine come again to make it 2-2 at half-time.

In the second half Altona played with the breeze but were finding it hard to score goals and with about 20 minutes to go the game was still even. Then Altona got the break with five quick goals in ten minutes to knock the heart out of Sunshine.

Goals: Hamil 3, Roberts 3, Burgess.

Best: Gramsborgen, Burns, Hamil.

UNDER 16

Away to West Newport, Altona were a little too good and ran out winners, 6 goals

to nil. A wind blowing across the ground made it hard work for the players to perform well, but Altona took their chances and never looked in any danger of losing.

Straubinger had a good game and M. Alsopp played well at centre-half and is probably the most improved player in the side.

N. Little played well in the forward zone.

UNDER 13

Away to Sunshine Heights had to be content with a 1-1 draw in a very hard game.

Altona led 1-0 early in the game but before half-time Sunshine Heights equalised.

The second half was even as both sides tried to get the winning goal and Altona were unlucky as in the last second a shot hit the goalpost and was scrambled out by Heights. T. Anle scored the goal for Altona.

This week sees the quarter-finals of the Victorian Cup and Altona have two teams still in: The Under 14's are away to Wertheim, and the Under 11's are at home to Melbourne, on Sunday (1 p.m. kick-off).

Altona Ladies

B GRADE

Altona played Fairfield away and from the start of this match it was evident that this would be a slow, hard match owing to shock ground conditions.

Fairfield were just as determined as Altona and the play saw-sawed until Carol McDonald followed through to net nicely.

Fairfield, not to be denied, attacked very hard after this and it was only the superb play of Altona's goalie, Kay Sterling, which kept them out. Half-time came with Altona in the box seat leading 1-nil.

After the interval Altona went straight into attack again and they kept attacking until a good shot from Jillian Neal found the net.

The half-backs worked very hard to keep the ball in the attacking zone but Altona could not break through the Fairfield defence. Fairfield attacked again and a goal was the result.

Scores: Altona, 2, d. Fairfield, 1.

Best: K. Sterling, G. Studley, B. Murphy.

WITH a welcome return to form, Altona's A grade side showed great teamwork to defeat Moorabbin 2-0 away from home on Saturday.

The win virtually assured Altona of a place in A grade next season and left the door open for a place in the final four.

Although only one win, on points, from the four, two wins would be necessary because of a poor percentage.

Teamwork was the keynote of Altona's win and for the first time in several matches the team looked like an A Grade side. All positional changes paid off and a great opportunity to stabilise the team is present, provided all players show the same determination in the coming weeks.

Ross Ford scored first goal and Moorabbin reacted by throwing weight about and downing several Altona players. However, the locals showed determination in concentrating on the game and this paid off when brilliant forward play gave Bruce Forrester a clear shot and he made no mistake.

The team's effort and concentration was maintained by all players to the end, giving Altona a morale-boosting win.

C North were defeated by Latrobe University, 7-1.

Shortly after the start it was evident that the many changes were affecting the team to such an extent that Altona were playing more as individuals.

Playing at Bundoora, Altona found it hard to master the slippery ground and Latrobe ran up four goals by half-time.

After the interval the locals looked set for a recovery but some poor umpiring decisions took the heart out of the effort and led to disputes with the umpires. These disputes are always futile and players will have to clam up and play on regardless.

This approach and greater teamwork will be necessary if the much-needed premiership in this grade is to be won.

Best: B. Smith, P. Byrne, S. Cronin, H. Doerner.

D North defeated Fairfield, 4-3.

Altona gained two valuable points by winning away from home. With the inclusion of Robbie Pratt and several Under 16 players the overall strength of the side was increased.

Highlights of the match were two penalty flicks converted by John Mallett.

Leading 4-1 halfway into the second half, Altona appeared to have the game safe. However, Fairfield came back strongly to score twice and fight out a thrilling finish.

Greg Richardson suffered a broken nose during the game. All at the club wish him a speedy recovery.

Best: J. Mallett, T. Finlay.

E North were defeated by O.E.G., 2-1.

Under 16 defeated Essendon, 3-1.

Altona, although not playing to their best capability, consolidated their place in the four with a confident win over Essendon.

Leading 2-0 at half-time, Altona controlled the play in the second half but the forwards were only able to convert once from many opportunities.

With Steve Jensen controlling the centre of the ground, Essendon had few chances to score but they finally broke through to score from a good shot.

Goals: C. Bruce, G. Richardson, B. Cronin.

Best: S. Jensen.

Under 14 defeated Essendon, 1-0.

In an excellent game between two evenly matched teams, Altona finally came out on top with a goal late in the game.

The team has improved each week and sitting in second position has a good chance for the premiership.

Wing halves, P. Symons and I. Daley cut off most of Essendon's attacks and their aggressive play created many opportunities for the forwards.

Altona's goalie B. Neyland was not given a lot of work but he did a great job when Essendon did break through.

Goal: F. Keshan.

UNDER 12 drew with Fairfield 1-1.

CLUB NOTES

Congratulations to Bruce Forrester and Ross Ford who have been selected to represent Victoria in the Under 21 team and commiserations to Richard Luckoczyk who missed out by a whisker.

The club wishes a speedy recovery to Greg Richardson and Lionel Haslam (both injured).

The next General Meeting is to be held on Thursday, July 2, at 8.15 p.m. in the clubrooms. All members are urged to attend. There are several contentious issues to discuss, including the format of end of season presentation nights.

Norm Hunter, after 20 years of continuous hockey, has finally come to grief. He will be operated on this week for cartilage trouble. Good luck Norm, the club hopes you can make the finals.
